Mr. Hale was not long since transferred from the Vandalia agency here to a better place at Terre Haute, and yesterday was enroute to Miss Mary Carlyle returned home St. Joe, Mich., to which he has just what is looked upon as one of the best Miss Nettie Stephenson, of Charlton, positions on the the line, and his friends Ill., is here for a couple weeks visit here will join in hearty congratulations upon his really deserved advancement.

A WIFE'S TYRANNY.

Some of the Awful Things She Does to

Annoy Her Husband. She contradicts him at the head of his own table, interrupts his aneedote to set him right on an utterly unimportant little detail-say the date of a transaction, which he makes the 7th of September and she asserts was the 8th; Miss May Griffin, of Bourbon, is the she interferes in all his arrangements, bles, the field, the church, the consulting-room; she apportions his food and regulates the amount of wine he may take; should she dislike the smell of toag nts of the Nickel Plate road for bacco she will not allow him the most rates and connections before purchasing | transient whiff of the most refined cigarette, and, like her brother with his Miss Daisy Nusbaum entertained a victim, she teaches the children to despise their father by the frank contempt with which she treats him and the way in which she flouts his opinion and denies his authority. If she is more affectionate than aggressive she renders him ridiculous by her effusiveness. Like the "Sammy, love," which roused Dean Alford's reprobation, she loads him with silly epithets of endearment before folk, oppresses him with person-The business men are busy balanc- al attention and treats him generally ing their books for the end of the year. as a sick child next door to an idiot.

All out of love and its unreasoning tyranny she takes him into custodyin public as in private life-and allows him no kind of freedom. Robust and vigorous as he is, she worries over his health as though he were a confirmed invalid; in the hey-day of his maturity Plymouth, genarian bordering on the second childhood. She continually uses the expression, "I shall not allow my husband to do so and so;" or, "I will make my husband do this or that." Never by any chance does she confess his right to free action, bound as he is in the chains of her tyrannous affection. In the end she makes him what she has and durable long fancied him to be, a backboneless valetudinarian, whom the sun scorches POCOLIN GOWING ON STILL WILL. to fever and the east wind chills to pneumonia-one who has lost the fruit Now is the time to make your plans | by "fadding" about the flower .- Chicago Chronicle.
